

EDUCATIONAL TRIP – 4 TH STANDARD

Hurray!! We were off on our educational trip on 22nd September 2018. We got into our school bus and we were seated excitedly. We said our prayers and we left school. During our journey we sang songs and enjoyed. At 11 'o clock we reached Kotagiri and we had a guide called Adish. He was a young and tall man .He took us to the camp and he was explaining about the nature in Kotagiri. After that I was really excited when Raju uncle –the Naturalist told us about the Nilgiri history. We then had a short break, they served us sandwiches ,lemon juice and fresh guava from the trees. After eating we started to play games like 'where is the monkey' and 'pipe and the marble". Then we started our trekking to the view point and it was really amazing !!! Next we went to a pond .We put our legs in the cold water and we saw tribal houses in the forest with no facilities around them. After seeing everything we had our tasty yummy chicken and vegetable briyani, chili gobi, white rice ,pepper water, curd and cool vanilla ice cream. After our lunch we had some rest in the tent house .After that they gave us chips, grapes and bananas. Then we walked to the bus and went to 'John Sullivan Memorial Hall'. He was the founder of Nilgiris. We saw many artefacts and literary sources . He was the first British Nilgiri collector and he is the only person who developed all the needs of the people. There was a friendly lady called Gayathri who explained about 'John Sullivan" and his service to the people and different types of tribes ,culture and their life style. Next we saw many hand made knitted clothes and organic products which was made by tribal people and we explored a lot about tribal people. Finally we took a group photograph and we left the memorial hall and we reached a tea shop and we had tea ,coffee and yummy snacks .We started back to school with a heavy heart and it was the best trip with my teachers and friends. We thank Our Principal Mr. Gary , Mrs .clover, Mr. Nelthropp ,Mrs .Sindhu ,Mrs. Aruna ,Mr. Natarajan and sub staff who accompanied us on the trip..
