Shyam asked him through the door, "Tell me, what you want?" The stranger replied, "Open the door, I've come to deliver your LPG cylinder." Shyam was about to open the door, when it struck him that the man was not in his uniform. Gas agencies always provide uniforms to their staff. 5
- 2. The man knocked repeatedly. Shyam told him, "Bhaiya, I cannot open the door. Please wait patiently." Shyam hurriedly called up his mother. She told him that she had not booked any cylinder. She instructed him not to speak any more to the stranger, "Don't panic ... call the neighbours and I'll reach within fifteen minutes, with your father." Shyam called up Mrs. Mehta and Mrs. Dayal. They assured him that they would reach him within minutes. 10
- 3. Now, Shyam was breathing heavily. The doorbell rang again and again. Shyam wiped his brow ... then he heard a thud ... Shyam screamed, "The man is about to break upon the door" ... he leaned against the door for support and heard a thud and a creaking sound ... suddenly there was a lot of noise ... women shouting and men struggling ... Shyam was shivering with fright and thinking aloud ... "What if the man is armed?" At this moment, he heard his mother's voice, "Shyamu open the door." Shyam rushed outside and hugged his mother. Everybody praised Shyam's presence of mind and right decision to call his mother. 15
