Read the given passage and answer the questions:

A TRAIN JOURNEY TO REMEMBER

1. It did not take long to find my compartment. My name was on the door, printed on a label.

2. After travelling for so long, I could tell on entering a train what sort of a journey it would be. The Khyber Mail was no different. The only feeling I had was disappointment that my trip would be so short – only 12 hours to Lahore. I wished it were longer.

3. My compartment was well-lit, large and quite comfortable. It had a table, well-upholstered seats and a mirror as well as a toilet and a sink in the adjoining room. I had everything I would need for the journey. I also had the choice of socialising – if I wanted company, I could go to the dining car. **5**

4. This was, then, the most attractive form of travel, as it afforded complete privacy. Nothing is expected of a train passenger. On planes, the traveller is trapped for hours in an uncomfortable seat. Ships require people to be sociable, and about cars and buses, the less said the better. That is why the sleeping car is also the most painless form of travel. **10**

5. The pleasure of travelling is also increased by the beautiful country scenery that one can see from the window – a swell of hills, the surprise of mountains, a loud metal bridge or the sight of people standing on platforms under yellow lamps. The idea of travel as a succession of memorable images is possible only on a train. **15**

(a) **Frame sentences of your own with not less than 8 – 10 words: (Do not use the sentences from the passage.)** **[2]**
(i) trapped   (ii) memorable

(b) **Give the meaning of the following words: (A one-word answer or a short phrase will be accepted.)** **[1]**
(i) Sociable   (ii)   Succession

(c) **What were the comforts available to the author on the Khyber Mail?** **[2]**
