

Fundraising Stall

A fundraising event (also called a fundraiser) is an event or campaign whose primary purpose is to raise money for a cause, charity or non-profit organization.

To provide support to an Intellectually disabled child in our campus, our school's Interact Club planned to sell Burger and Fruit Juice on 22nd June 2023 with the guidance from our Principal Mr. Gary Everett. The dining hall staff facilitated us in the preparation of Burger. Class 12 Home Science students helped to stack and distribute Burgers. This is the first fundraising initiative by our Interact club in this academic year. We prepared around 600 burgers and served our school children and staff with juice during tea time.

We thank all the dining hall staff, Caterer Mr. Roshan McDonald and Mr. Smith for their co- operation and made this event possible on time. We also thank our staff and students for encouraging us in this fundraising program.

Prize Day Fundraising Stall

On the eve of our school's Prize day Interact Club combined with Buddies Café, Garden Road, Ooty, sold Sandwich, Burger, Milkshakes, Brownie and Ice Tea etc. as a fundraising event.
