

The IAYP (International Award For Young People) National Level Training

The IAYP (International Award For Young People) National Level Training held at Bangalore on 27-28 June 2023. 21 participants were participated from all over India. The main aim of this training is to train the Award Leader in various areas of this award such as medals, sections, adventure journey, residential project for gold award and risk management through which to help and support the young people to develop their personal skill and social development.

I personally felt ,the two days sessions were eye opening sessions for Award Leader to understand the history, philosophy ,framework and system of the award.

Therefore ,The School can conduct the IAYP program in systematically. At the end of session the award leaders were certified as a national level award leader with badges by NAO (National Award Operator).

I hereby would like to thank board members and extend my thanks to Principal for supporting and allowing me to take part in National Level training for Award leader.

Thanks and Regards

Ramesh.R
Award Leader (National Level)
