

EDUCATION WORLD AWARDS

Double the glory, double the pride! I am thrilled to announce that our school has achieved not one, but two remarkable distinctions in the Education World Awards. In the 'Vintage Legacy Co-ed Boarding School' category, we secured the 7th position in India and the 3rd place in Tamil Nadu. Additionally, in the 'Career Counseling Leaders' category, we've excelled, ranking 4th in India, 1st in Tamil Nadu, and 1st in Ketti Valley.

These achievements wouldn't have been possible without the relentless dedication of our Board of Management, the leadership of our Headmaster, and the entire school community. Thank you for being a part of our journey to excellence!

God bless, Principal
